

Jatheon recognizes the fact that operating a small business in today's harsh regulatory environment can be daunting; that is why we developed the Small Business product line (SB). Jatheon's SB line of appliances offers all of the full features of archiving, policy management, and eDiscovery. Our small business email appliances, PnC 100 and PnC 200, offer peace of mind for organizations with under 200 users.

New Features

- Enhanced feature set and user interface
- Enhanced hardware configuration including faster processing RAID configuration across full product line with battery back up units on hardware RAID units
- Increased storage availability ranging from 700GB to 27TB virtual storage
- Best value product in the industry

PnC 100 Data Sheet

Jatheon's PnC 100 email archiving and retention appliance is a full featured entry-level turn-key solution. The PnC 100 meets the needs of small businesses seeking full regulatory compliance and eDiscovery functionality at a very affordable price.

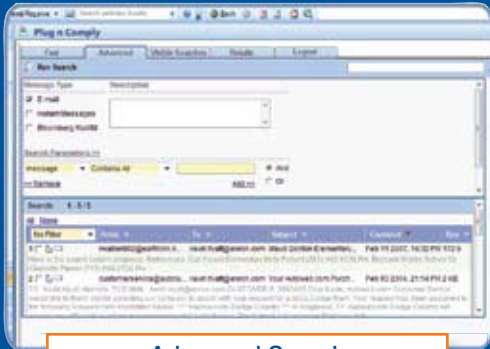

Jatheon has designed and developed Plug n Comply™, a family of appliance based email and message archiving solutions for companies seeking full regulatory compliance, internal policy management, storage space management, and eDiscovery functionality. Jatheon offers an all-in-one comprehensive, cost effective, and easy to deploy archiving appliance. It requires minimal IT support, offering simple management of corporate messaging data and related policy implementation.

With the Jatheon Plug n Comply™ appliance, companies are provided with a turnkey solution to establish and enforce policies and compliance processes to meet Sarbanes-Oxley, SEC, NASD, Federal Rules of Civil Procedure, and other regulatory and corporate governance requirements.

System Specifications

System:

Processor: Intel E5200 2.5 800 2MB Dual Core
Memory: 2 x 1GB PC2-6400 STD DDR2 800
Chipset: mATX 775 Intel 3200
Network: 2 x Intel 82573 Gigabit PCI-Express Ethernet
EIDE: 1 EIDE Channel Supports 2 Devices at Ultra DMA 100 MB/sec

Chassis:

Form Factor: Mini 1U; Rack-Mountable Chassis
Dimensions: 16.7" x 1.7" x 14" (WxHxD)
Cooling System: 1 x 100mm Blower Fan

Storage:

2 x Seagate Barracuda ES.2 500GB SATA 3.0 7200 3.5in

Graphics:

On Chip Intel 946GZ Video

Multiple I/O:

USB: 2 x Rear USB 2.0 Ports
Serial Ports: 1 x Serial Port
Keyboard/Mouse: 1 x PS/2 K/B, 1 x PS/2 Mouse
LAN: 2 x LAN Ports, RJ-45
VGA: 1 x VGA Port

Front Panel:

Power On/Off button
System Reset button
1 x Power LED
1 x Hard Drive Activity LED
2 x Network Activity LEDs
1 x System Overheat LED

Power Supply:

Thermal Control 260W AC Power Supply w/ PFC
24-pin, (4-pin=12V)
UL Approved, FCC Compliant
