

Jatheon recognizes the fact that operating a small business in today's harsh regulatory environment can be daunting; that is why we developed the Small Business product line (SB). Jatheon's SB line of appliances offers all of the full features of archiving, policy management, and eDiscovery. Our small business email appliances, PnC 100 and PnC 200, offer peace of mind for organizations with under 200 users.

New Features

- Enhanced feature set and user interface
- Enhanced hardware configuration including faster processing RAID configuration across full product line with battery back up units on hardware RAID units
- Increased storage availability ranging from 700GB to 27TB virtual storage
- Best value product in the industry

PnC 200 Data Sheet

Compliance impacts all companies no matter their size. Jatheon has developed the PnC 200 – Small Business appliance to give companies with fewer than 200 users the same functionality as Jatheon's mid-market and enterprise appliances, but at a price point for small organizations.

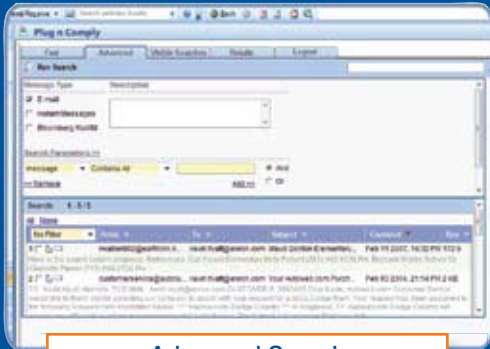

Jatheon has designed and developed Plug n Comply™, a family of appliance based email and message archiving solutions for companies seeking full regulatory compliance, internal policy management, storage space management, and eDiscovery functionality. Jatheon offers an all-in-one comprehensive, cost effective, and easy to deploy archiving appliance. It requires minimal IT support, offering simple management of corporate messaging data and related policy implementation.

With the Jatheon Plug n Comply™ appliance, companies are provided with a turnkey solution to establish and enforce policies and compliance processes to meet Sarbanes-Oxley, SEC, NASD, Federal Rules of Civil Procedure, and other regulatory and corporate governance requirements.

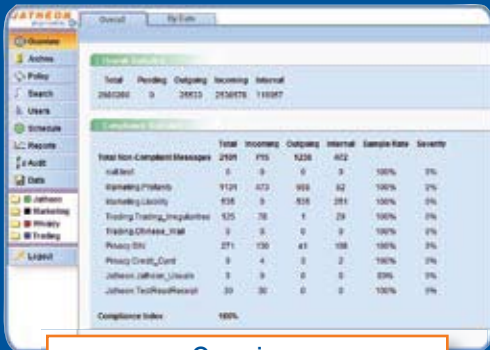

Model: PnC 200
Virtual Storage: 1.5 TB
RAID: Software RAID 5
Form Factor: 1U
Shipping Weight: 37 lb

Full Features Include:

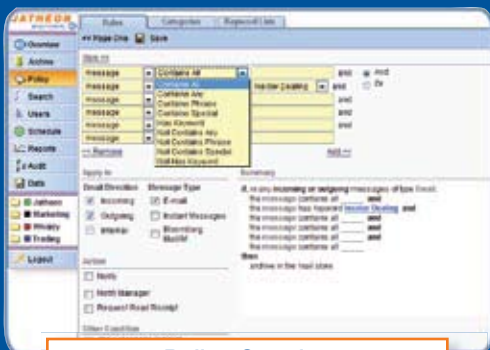

Full Indexing	Role Based Administration

System Specifications

System:

Processor: 1 x Intel C2D E8400 3.0 1333 6MB Dual Core 775
Memory: 2 x 2GB PC2-6400 STD DDR2 800
Chipset: ATX 775 Intel 3210
Network: 1 x Intel 82573V Gigabit Ethernet
SATA: 4 Serial ATA Ports

Chassis:

Form Factor: Mini 1U; Rack-Mountable Chassis
Dimensions: 17.2" x 1.7" x 19.8" (WxHxD)
Cooling System: 3 x 4cm 12,500 RPM Blower Fans

Storage:

4 x Seagate Barracuda ES.2 500GB SATA 3.0 7200 3.5in
1 x Panasonic UJ875 Black IDE 8X DVD-RW Slim Slot
1 x Sony Slim Floppy Drive

Graphics:

Onboard ATI RageXL Graphics, 8MB

Multiple I/O:

USB: 2 x Rear USB 2.0 Ports
Serial Ports: 1 x Serial Port
Parallel Port: 1 x Parallel Port
Compact Flash: 1 Onboard Compact Flash 40-pin White IDE Connector
Keyboard/Mouse: 1 x PS/2 K/B, 1 x PS/2 Mouse
LAN: 2 x LAN Ports, RJ-45

Front Panel:

Power On/Off button
System Reset button
1 x Power LED
1 x Hard Drive Activity LED
2 x Network Activity LEDs
1 x System Overheat LED
2 x USB 2.0 Ports
1 x Serial COM Port

Power Supply:

Fixed 300W AC Power Supply w/ PFC
UL Approved, FCC Compliant
